

## Snowy Days Activities for P4 from Mrs Clarke

### Topic

Think about any topic that you have covered in school and carry out some research to do with it. Create a fact file of your six favourite facts. Remember to say why you find these interesting. You could use illustrations to make your file look more attractive.

### Literacy

Can you think of ten words to do with winter? Write them down then make them into really interesting sentences or a short story. Remember to think of VCOP.

### Maths

Can you find a measuring tape or ruler in your house? Think about the measuring you have done in class and measure as accurately as possible ten items. Record as below:

**Item**

**Estimate**

**Measurement**
